

MEET THE APPRENTICE LUKE CHURCH

About Luke

Luke joined the team in June 2024 as an apprentice IT technician. He supports our helpdesk team in dealing with customer queries and solving tickets.

Why Did You Choose Systemagic?

I was lucky enough to do work experience at Systemagic in 2023. That experience showed me what a fantastic team and dynamic there is here. I instantly loved the idea of doing an apprenticeship with them and joining the team.

What Did You Do Before Your Apprenticeship?

Before my apprenticeship, I had a part-time job at Tesco while studying at Sixth Form.

Why Did You Choose a Career in IT?

I've always loved technology. My interest started when I got my first laptop growing up, and it's stuck with me ever since.

What Part Of Your Job Do You Most Enjoy?

The best part of my apprenticeship is how much I've learned along the way.

In just over six months, I've gained so much knowledge that directly helps me in the job.

Plus, being able to earn while learning is a great bonus!
